

6259. Adulteration of milk. U. S. * * * v. James A. Priutt. Collateral of \$15 forfeited. (F. & D. No. 403-c.)

On February 15, 1918, the United States attorney for the District of Columbia, acting upon a report by the health officer of said District, filed in the police court of the District aforesaid an information against James A. Priutt, Washington, D. C., alleging that said defendant did offer for sale and sell on January 20, 1918, at the District aforesaid, in violation of the Food and Drugs Act, a quantity of milk which was adulterated.

Adulteration of the article was alleged in the information for the reason that a valuable constituent, to wit, butter fat, had been abstracted in whole or in part.

On February 15, 1918, the case having been called and the defendant having failed to appear, the \$15 that had been deposited by him as collateral to insure his appearance was forfeited by the court.
